LICK IT GOOD!

Byron Schlenker has a champion schlurper

EVEN when Byron Schlenker was just a baby, he was special. He could LICK THE ICING off donuts from across the room.

Young Byron had a tongue that was wider than the Nile, but for some reason, his dopey parents kept his special talent a secret, refusing to sell him to a circus and encouraging him to live a 'normal life'.

THANK FUCK Byron has now busted out of that cage of mediocrity and has embraced his EXTRA-BEAUTNESS.

Byron's had his LATERALLY LAUDABLE LICKER – 8.6 slobbery centimetres wide – certified by the Guinness book of records as the widest in the world.

FUNNY THING HIS, his 14-year-old daughter Emily has just got the gong as the widest FEMALE tongue in the world.

Between the two of them, they're probably the most famous people ever to come from Syracuse, New York, USA.

Just don't ever offer them a lick of your ice-cream. **Picture**

We wish thev all could be like Tahlia Paris!

AIN'T she beaut? Wouldn't ya love to have her MINDING YOUR TOWEL for a day or two?

We have, in fact, officially invited 20-year-old Californian surf spunk Tahlia Paris to Australia to wax the plank and dangle her pinkies with us, but we don't know when – or if – she'll be coming.

If she does we reckon there'd be a queue a mile long to buy her a Paddlepop and rub sunscreen on her, but the best we've managed so far is a brief but chummy exchange

New Tits On the block

via the magic of the internet.

How are the waves, Tahlia? Been catching any good barrels lately?

"I actually don't surf as much as you would think a California girl does, believe it or not!"

Oh. 'Cos we were hoping you'd be involved in the revival of the nude twilight surfing festival at Bondi Beach.

"I actually have never surfed in the nude, but I bet it would be so much fun!"

It is, depending on the shark activity. But if the Noahs are swarming, is there anything else you'd like to get up to naked, on dry land?

"Honestly, just being on the beach naked, which I have done in Mexico is so much fun. No tan lines are the best tan lines."

Ya got that right. How about sex?

"Sex on the beach is something I have done, and it's so romantic!"

Actually, 'sandy' was the word that sprang to our mind, but we'll go with 'romantic'. You've described yourself as a 'girly-girl' with a sporty streak, so do ya like to hang-out with the boys drinking beer, or do you prefer cocktails with the girls?

"For sure I'd prefer getting dressed up with the girls and drinking a fruity cocktail over beer with the boys!"

Damn. Maybe if we wore a dress... or maybe not. What gets your sexual juices flowing?

"A turn on of mine is ear bitting!"

You're quite welcome to chomp on one of our hairy lugs if ya like. No pressure, but. Anything else we could arrange for you if ya visit?

"The first think I would want to see is the wild life. I love animals and I would for sure have to see the kangaroos and other animals!"

Yeah, that's a possibility, if we could get Skippy out of the pub for half an hour. Leave it with us.

COCK-MANDO!

A US commando has been busted for moonlighting as a PORN STAR. For seven years Navy SEAL Joseph Schmidt has been making a bit of beer-money in JIZZ FLICKS as Jay Voom, first with his wife, porn star Jewels Jade, and then other sheilas. It got him in the shit with the brass 'cos SEALs are supposed to ask for permission to have a second job. But his missus reckons they knew about Schmiddy's porn career all along. "They knew," Jade said. "He got called in and they said, 'Look, keep it on the low, don't mention the SEAL name.' He was always pretty open about it."

FOLLOW THE BEAVER

FORGET cattle dogs – Canadians are breaking new ground with CATTLE BEAVERS. Canuck rancher Adrienne Ivey spotted the future of ranching when she saw 150 of her heifers blindly following one of the TOOTHY RODENTS on her ranch 135 kays north-east of Regina. "They were following him," she said. "There was about a three-foot space around him. They didn't want to get closer than that. We just thought this was so funny and so Canadian. A Canadian beaver leading around a bunch of Canadian cattle just makes it even more funny!" Yeah, maybe – if you're CANADIAN.

Looks like the start of a new world religion!

BEER BELLY

WE DON'T know why this bloke stuck a bottle up his arse so firmly it had to be surgically removed though his gut, but we have a theory. We reckon he was out necking a few, got a bit weary, and decided to stand on his head to cheer up. While in the inverted position, he cracked another, forgot he was the wrong way up, and stuck it up his arse. Garn. Tell us we're wrong.

BIG DADDY

A 70-YEAR-OLD Pakistani truckie has SPROGGED out 54 children with six wives, all because he was such a horny fucker as a young bloke. Abdul Majeed Mengal, 70, from Nushki, says: "In the early days, my strength was good and I had to have sex daily." He married his first wife when he was 18, then five more after that, pumping out kids regularly. Two wives and 12 of the kids have died, but them's the breaks, eh.

STAND BY YOUR TAN

GERMAN model Martina Big has taken another step on the path to being the world's most bizarre-looking sheila. After pumping her tits up to a HIGHLY UNSTABLE 32S bra size, she had herself injected with melatonin so she'd turn all BROWN AND CRISPY. Though she didn't mean to end up so WELL DONE, Martina's stoked. "I was not expecting to go so dark but it worked so well. I love it and I really want to push it to the extreme," she says. Her fella Michael doesn't mind her wacky ways. "I'm the boyfriend of the woman with the largest breasts in Europe!" You can't say fairer than that.

SHIT A BRICK!

WHEN Pakkirappa Hunagundi gets hungry, the Indian bloke doesn't hop into a curry. He GRABS A ROCK and starts munching. Since he was 10 he's been eating up to three kilos of rocks and gravel daily. And he's doing okay on it. "I have been eating bricks and rocks for around 20 years now," he says. "I have suffered no side effects. My teeth are absolutely fine. I can bite into the hardest stone without a problem." But his mum's a bit worried. "My mother says don't eat all this, but even if she gives me chicken fry, I don't eat it. I don't like that at all. I need rocks to eat."

SNAAAKES ON DRUUGS!

Giant Joe Blake off its fangs on ice

A MONSTER man-eating (sort of) PYTHON is in a rehab in a NSW jail for its ICE HABIT

The un-named (for legal reasons) two-metre long jungle python was rescued during a raid on a bikie meth lab, where it apparently had been a MUCH LOVED PET.

Somehow it had managed to get ON THE GEAR, probably by absorbing drug fumes and residue, but we also can't discount the possibility that it was pressured into taking the drug by other snakes and took a hit just to be HIP.

Which would be fucken ironic, seeing as snakes don't have hips.

Ian Mitchell, of the NSW Corrective Services Wildlife Care Centre, told the Sydney Daily Telegraph the ripped reptile was: "totally on edge, jittery, slithering and wanting to strike."

"It was very aggressive and had very erratic behaviour."

The pissed-off python spent weeks slithering up and down its tank at the centre, chucking HISSY FITS and FANGIN' for another hit.

But the good news is that it has now settled down and is looking forward to starting a drug-free life on the outside.

Maybe meet a nice lady snake and raise a family. Here's hoping. Picture

HOORSE ON THE PIISS!

Alco nag necks craft ale for health

A SEPPO horse has been ordered to drink beer every day for "health reasons."

Four-legged suds sucker Mac was given the prescription by his vet to down a pint of beer every day to help him get over a "hormonal condition" called Cushing's disease, which prevents him sweating.

We can't see anything wrong with a non-sweaty horse. In fact it sounds like a fucken good idea, but we're not horse doctors.

And it actually sounds like the kind of condition we wouldn't mind having. Wonder if that vet's registered with Medicare?

Anyway, since Mac's been on the piss he's developed a taste for fancy-pants craft beer, especially a particular drop called Good People Brewing Company IPA, which at 7.1 per cent alcohol has him laughing all the way back to his stable.

Good news is, Mac's "medical condition" is coming good and he's feeling much better.

Bad news is, whenever he goes down to his local for his daily gargle, he never takes his wallet.

So it's always someone else's shout. Fucken horses are tight-arsed bastards!

THIRSTY FOR MORE? HAVE ANOTHER ROUND!

Elysia

She's a 21-year-old, skinny-dipping, Surfers Paradise beer wench who didn't say much about her workday life back in #1402. Just that she likes chicken nuggets and being chucked around in bed. So how about you just pour us a beer, Ely?

Jess

Sandgroper Jess doesn't just dish up the booze, the barmaid Homie from #1413 quite enjoys a few herself. "I once met up with my ex-boyfriend's mates for a drink," she said. "It quickly turned into a gangbang!" We're fucken SHOCKED!

Gabriella

Italian Gabriella – you can tell she ain't no fella – was backpacking around Oz pouring suds when we met her in #1411. She broke the "don't root the customers" rule and did the deed with a GERMAN. Right idea, wrong nationality, Gabby!

Evelyn

Barmaid Evelyn, from Southport, Queensland, told us in #1413 that she spends: "three quarters of my time naked." So we worked out that means the beaut Ev must spend at least two hours of every shift behind the bar STARKERS!

FOOTY DRINKS!

In the 1996 movie *From Dusk Til Dawn*, Salma Hayek, sticks her foot in Quentin Tarantino's mouth, then pours tequila down her leg until it runs into his gob.

Titty booze fact!

Seppo muso Bob Log III invented a drink called a "boob scotch" which is scotch stirred with a tit. He also wrote a song about it. It goes: "Put your boob in my scotch, come on, get your tit in my drink, stir my scotch with something pink." Cool!

AL BUNDY'S NUDIE BAR SONG

Where you drink down the shooters, and unwrap the hooters, at the nudie bar.
Where the girlies dance in their underpants, at the nudie bar,
Where the breasts may be fake but man do they shake,
at the nudie bar.

Pub tragedy!

In March the WA Liquor Commission knocked back an application by the Merriwa Tavern, about 60 kays north of Perth, to employ topless barmaids, saying it "wasn't in the public interest." Well, cunts, WE'RE the public and WE'RE fucken interested!

WITH the finish of the inaugural season of the AFLW, or "chick rules" as it's more correctly known, we're excited to welcome a new era in women's sport.

We're keen to see lots of hot, sweaty, FIT AS babes competing in as many sports as possible, as long as it doesn't interfere with meal times, or the all-important FETCHING OF THE BEER.

And it'd be nice if they did it IN THE NUDDY, too.

So whether it's kicking a screamer from half way or sinking a three metre putt in a tornado on the 18th, we're all for the ladies competing.

Providing, as we mentioned before, it's all done at least semi-naked and the catering doesn't suffer. We're happy to cheer for ya, girls, but sort the chops out first. **Picture**

It seems so simple now we see it done right. You know that stupid, pulling-your-shirt-up-over-your-head-when-you-score move in soccer? It looks a whole lot better when chicks do it.

HOW ABOUT A BIG HAND FOR THE GIRLS!

Seppo model Shay Laren seems uncertain whether that's a tennis racquet or a unicycle. Just don't hop on it until you're sure, Shay. You could do yourself an injury.

Having put in for the full 80 minutes, kicked 18 goals and had more posessions than an excorcist on overtime, Sharon still had to beat the traffic home to get Kevin's tea on.

A BLOKE goes into confession and says to the priest, "Father, I'm an 80 year-old, widower with 11 grandchildren. Last night I met two beautiful flight attendants. They took me home and I made love to both of them. Twice."

The priest says, "Well, my son, when was the last time you were in for confession?"

"Never, Father. I'm not Catholic," replies the man.

"Then why are you telling me?" asks the priest, confused.

"Mate, I'm telling everybody!"

No-one can believe that he's actually got a 15 kilo baby, but free beer is free beer, and everyone drinks up. The bloke gets another call and goes to take it. When he comes back he orders another round for the whole bar.

"I've got a 12-kilo son waiting back home!" he says.

JOKE OF THE WEEK WINS $100

DAVE was bragging to his boss at work one day. "I know everyone there is to know. Just name someone, anyone, and I know them."

Tired of his boasting, his boss called Dave's bluff. "OK, Dave, how about Tom Cruise?"

"No dramas boss, Tom and I are old mates, and I can bloody prove it."

So Dave and his boss fly to Hollywood and knock on Tom Cruise's door. Then Tom Cruise syticks his head out the window and shouts, "Dave! What's are ya doing here? Great to see ya! Come on in for a beer!"

Although impressed, Dave's boss is still sceptical. After they leave Tom Cruise's house, he tells Dave that he thinks him knowing Tom Cruise was just la stroke of luck.

"No, no, just name anyone else and I'll know 'em," Dave says.

"How about President Trump?" his boss replies.

"Yep," Dave says. "We're old mates. Let's fly to Washington," and off they go.

At the White House Trump spots Dave on the tour and motions him and his boss over. "Dave, what a great surprise! I was just on my way to a meeting with the Chinese president, but you and your friend come on in and let's have a beer first and catch up."

Well, the boss is very shaken by now but still not totally convinced. After they leave the White House he expresses his doubts to Dave, who again challengs him to name anyone else.

"How about Pope Francis?" his boss replies.

"No worries!" says Dave. "I've known the Pope for years." So off they fly to Rome to see the pope.

Dave and his boss are mingling with the crowds in St. Peter's Square when Dave says, "This'll never work. I can't catch the Pope's eye among all these people. Tell you what, I know all the guards, so let me just go upstairs and I'll come out on the balcony with the Pope." And he disappears into the crowd.

Sure enough, half an hour later Dave emerges with the Pope on the balcony, but by the time Dave returns, he finds that his boss has had a heart attack and is surrounded by paramedics.

Making his way to his boss' side, Dave asks him, "What happened?"

His boss looks up and says, "It was the final straw. When you and the Pope came out on to the balcony and the man next to me said, 'Who the fuck is that guy on the balcony with Dave?'"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

NOOOOOO!

I SAW in some sheila's mag my missus was reading that they reckoned Kylie Minogue was getting off with Prince Andrew. I was fucken gobsmacked. According to your recent story, she was on with THE PICTURE's Carl Lagerfuelled. What happened?

WILL, PADSTOW, NSW

MUNGO SAYS: Fucked if I know. I thought Carl was sweet there. He'd be gutted if Kylie dropped him for that fat knucklehead. Carl's got his faults but at least he's not still bludging off his mum. Plus, I was hoping me and Dannii could double-date with Carl and Kylie. I thought I was on for a Minogue sister sandwich.

DOWNTOWN DINING

G'DAY Mungo. What do you think a "pink taco" at a Las Vegas gentleman's club would taste like? The beef? The chicken? The pork? Or the fish?

P.L., MILDURA, VIC

MUNGO SAYS: From my experience of the food at strip clubs, it would taste vaguely styrofoamy, with a hint of baby oil and sweaty cheap, lingerie – just the way I like it! You're always taking a chance ordering the "mystery snitty" at a strip club, but isn't that what those motivational blokes tell us life's all about? Man cannot live on just beer nuts alone.

SHARKBURGERS

I KNOW you don't like fishing Mungo, but ya gotta admire that Seppo bloke in issue #1429 who hauled in that massive shark from the beach, then bunged it in his ute and took it home to feed his neighbours. And before the Greenies go off, when was the last time you saw a white pointer split a human he'd caught up between a couple hundred of his mates? Nah, 'cos they're greedy fat cunts, that's why.

TODD, ESPERANCE, WA

MUNGO SAYS: It's not like sharks ever chip in for a slab or help ya push a car out when ya get bogged in the sand. Basically, they're antisocial pricks. And as you rightly point out, they're always fucken eating people. Break out the 44 gallon drum of tartare sauce, I say.

MUNGO WANTS TO KNOW...

What's the first question that should be on the Australian citizenship test? Alright, apart from 'What is your name?'. Nobody likes a smartarse.

JUST ONE OF THE GIRLS

I DUNNO how anybody could miss it but covergirl Charlotte Star from #1429 is a dead ringer for Charlotte, one of the characters on the TV show *Sex And The City*, played by Kristin Davis. Funny thing is that the Charlotte character from SATC is the one of them that gets the least sex. Judging from her interview, Charlotte Star doesn't seem to have that problem. Anyway, as usual it's all top stuff. Keep up the good work.

SUGGSY, TWEED HEADS, NSW

MUNGO SAYS: Good call. In fact, they look so much alike I'm pretty sure that's where our Charlotte took her professional name – her nom de fuque as it were – from. That said, you're a big fucken girl's blouse for watching chick TV shows. Nyah-nyah-nyah-nyah.

AUSSIE! AUSSIE! AUSSIE! ERM... ERM... ERM...

MUNGO, How do ya reckon you'd go on an Australian citizenship test? If they make it retrospective, will ya pass or will ya get chucked out?

K.H., BRISBANE, QLD

MUNGO SAYS: Donald Bradman was the first prime minister? Lamingtons are a natural source of vitamin C? Perth used to be in Scotland? I reckon I'd get by. I'd just tick 'c' on all the multiple choice questions, and answer everything else 'Phar Lap'.

HORNY BASTARD!

THERE aren't many rhinoceroses left in Nepal. Didja know that? We didn't. We didn't know there were ANY rhinoceroses in Nepal, but that goes to show you how much we know about rhinoceroses. Or Nepal. So it pretty much made us drop our pies in FUCKEN ASTONISHMENT when we saw this, the moment a very-pissed off rhinoceros charged a couple of elephant-loads of bug-eyed, shit-scared workers in Nepal's Chitwan National Park. Shit, they got elephants there too? Well done! Way to go with the exotic critters, Nepalese pals. This particular rhino was a bit antsy because, as the park spokesguy said, "He is one of the dominant males in this area." Yeah, we get it. And as such, he figures he has the right to fuck everything in sight, and failing that, SMASH IT WIV HIS HEAD. There's a big breeding program on in the park to build up the population of rhinos, and judging by this bloke's enthusiasm in the FUCKING and FIGHTING departments, they shouldn't have any trouble. Go, rhino bloke!

SALLY is only 19, but she's already acquired a drinking ability that'd put David Boon to shame.

"I'm a better drinker than most of my male friends," chirped the highly rootable Brisvegan student. "I once skolled a glass of beer in 8 seconds."

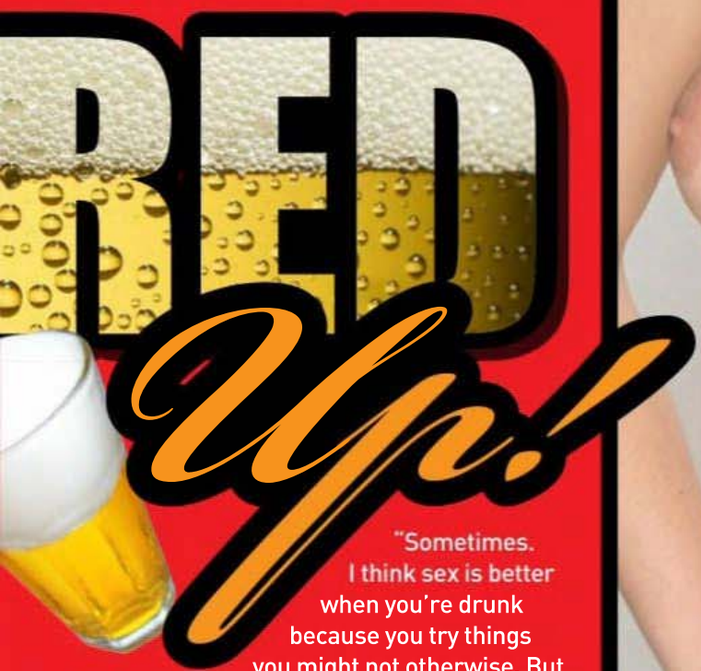
Bob Hawke would be proud of that! How did you get so good?

"I was born like this. My parents don't mind a few, so maybe that's where I get it from. I also get a fair bit of practise with my friends."

High-five! Are you an angry or happy drunk?

"It depends what I'm drinking. If I go near Bundy rum I'll probably do something stupid like starting a fight with somebody."

Do you enjoy picking up blokes when you're out getting SHITFACED?



"Sometimes. I think sex is better when you're drunk because you try things you might not otherwise. But there's always that worry you could wake up next to somebody who is a real dick."

What makes your smoo smile?

"I love giving and receiving head. Getting good head is the best thing in the world."

Do you have a fave rooting possie?

"I know all the girls say it, but doggy really is the best. It's so much harder and intense."

You also don't have to look at blokes' ugly heads.

"Haha! I guess that's true too."

What's a sexual fantasy you want to live out?

"I like the idea of being watched, so hopefully I will have sex in front of a big crowd of people someday. I'm just a bit scared of doing it, though."

Talking Dirty

WITH TRINITY

"MY FEET CAN MAKE ME COME IF PLAYED WITH CORRECTLY"

SISTER ACT

G'DAY Trin, I just found out that my girlfriend's sister has been watching us fuck and that she sometimes even masturbates while watching. She was high when she told us and maybe she felt guilty or something. Anyway, my missus laughed it off, but I reckon it's fucken weird! What should I do? Could a threesome potentially be on the cards?

C.K., LANSDOWNE, NT

TRINITY SAYS: ***Mate, if you think her watching was weird, then how the fuck are you gonna go having a threesome, ya pussy! Who cares if she gets off to you two – I think it's hot. I wouldn't hunt for a threesome though. You're asking for trouble there, mate.***

DOCTOR SMOO

MY MISSUS wants to do a roleplay where I'm a doctor and she's my patient. But all my ideas are cheesy and shit. What are some good scenarios we could perform?

D.A., CRANBOURNE SOUTH, VIC

TRINITY SAYS: ***Well your theme is pretty stock standard and cheesy on its own. Embrace it though; sometimes keeping it simple and going with the classics is best. Try something like she pretends to be sick and you come in to check on her, maybe touch her up a little bit and work your magic. Sounds hot to me.***

GIZ A WHIFF?

GOOD day to you Trinity. Can I sniff your panties? Please you wear them all day and make very sweaty and then give to me. I like to smell them and put them in my mouth. It makes me very happy and excited. Please for me. Thank you.

SANDEEP, NEW DELHI, INDIA

TRINITY SAYS: ***You'd love my panties after a good session in the gym. I get so sweaty, and they end up dripping with that amazing essence of Trinity. Mmm, yum!***

FAP-TASTIC!

IS IT normal to masturbate with your partner instead of fucking? More and more regularly my boyfriend doesn't wanna have sex and just wants us to fiddle ourselves together; he jacks off next to me, while I rub my clit. Have you heard of guys who prefer doing this to sex?

LEANNE, VIA EMAIL

Velvet Cream Imagery, iStock

TRINITY SAYS: ***Yeah absolutely I've heard of it, and done it myself, however it shouldn't become an increasingly regular thing. The idea is to make the connection and be together, not separate; it's kinda lazy if you ask me.***

CLUSTER FUCK

I'M THINKING about having a group shag with my missus and another couple. Is there anything we should prepare for? What's the biggest group fuck you've ever had? Did you enjoy it?

BLAGS, ROCKHAMPTON, QLD

TRINITY SAYS: ***Hot shit mate, get amongst it! I've had about 3 couples involved together once and it was awesome! Be sure to get really fun, like-minded people. Set ground rules before the session and most importantly – don't hold back! Equal love to everyone!***

PUSSY POPPIN'

Y'KNOW those pop rock things you got when you were a kid? The bag of lollies that feel like little explosions in your mouth? Well, I heard that if you put them up your pussy it's meant to feel amazing! Have you ever tried that, Trin?

T.T., KOTTA, VIC

TRINITY SAYS: ***Ha! Never tried it, but I'd be game to. I reckon you should definitely go for it. It sounds sexy and a bit fun. Yum yum!***

NIP AND RUN

CAN chicks cream themselves just by getting their nips sucked and played with? I was with a chick who reckons she did, but I think she coulda been bullshitting and just playing it up. Do you have any hot spots on your body that make you drip?

SCUD, VIA EMAIL

TRINITY SAYS: ***Absolutely you can! What a silly question. Seriously mate, use your brain – it's an erogenous zone! Even if it wasn't, people who just like it in general get off on it. My feet can make me come if they're played with correctly because I have a foot fetish.***

TRINITY'S SEX TIP

Blokes, make some noise, please! Chicks like to hear a guy grunting and moaning while he's fucking, especially when he's coming! So many guys are far too quiet in the sack. And it gets us girls really going, too!

CUCK OFF!

I STUMBLED across this porn recently where a bloke watches his wife or girlfriend get fucked by another guy right in front of him, usually the other guy is of African-American descent and has a massive dong. It kind of freaked me out that I liked it. What should I do about these feelings? Should I tell my wife I'd like to see her be absolutely ravaged by a muscly black guy with a huge cock?

DAZ, MONA VALE, NSW

TRINITY SAYS: ***Depends how naughty and sexually experienced your wife is. I wouldn't feel bad about it. It doesn't mean you love your wife any less. I'd just wait a while longer, sit on the idea and if it grows on you even more, then talk to her. The worst she'll say is no. It's not a big deal.***

BUCKEN HELL!

MY HUBBY'S mate is getting married soon and they're currently organising the buck's party and I'm a little worried about all those strippers. I know you're a stripper and you seem nice, but I've heard that some of these girls might get rowdy and start fucking all the guys there or maybe suck off the groom. I trust my hubby, but when temptation calls, who knows?! Am I just being dramatic? Or should I ban him from going?

FIONA, VIA EMAIL

TRINITY SAYS: ***You sound like the crazy one now, Fiona! Of course let your man go. Those are just stories that give strippers a bad name!***

TRINITY WANTS TO HEAR FROM YOU!

He's out for the season.

IF YOU ask us, it's asking for fucken trouble going swimming in Lake Victoria in Africa.

It's a bit like going for a dip in anything bigger than a puddle in the Northern Territory – you're bound to get BIT BY A CROCODILE.

This bloke tried it, and look what happened to him.

He was larking about in the lake at a town called Kalangala, in Uganda, and this is the TRAGIC RESULT.

Left leg gone, just below the knee – there goes his career as a professional ARSE-KICKER.

The culprit was allegedly some scaly bastard called a Nile crocodile, their version of our beloved saltie, though probably not as good.

They reckon theirs eat way more people than ours every year, but what the silly cunts don't get is that's just because there's more people in Africa. Duh!

"I'M INTO
PASSIONATE,
SENSUAL SEX"

BY DAY, Lucy is a champion student trying to make her way in the world. By night she's a porn star causing more STIFFIES than rigor mortis.

"I'm really enjoying being a student and being a porn model," admitted the stunning 24-year-old German-born fucktress. "It's hard work juggling it all, but I think I'm talented enough to succeed at both."

KEN OATH! Where do you call home these days, Lucy?

"I live in Prague. I was born in Germany, but I can study here in Prague a lot easier. I'm studying cosmetics and want to open my own salon someday. It's my passion and always has been."

What do you get up to in your spare time?

"I like horses and watching make-up tutorials on the internet – I watch them for hours. I'm also into motorbikes because my ex used to ride one."

But you're single now, right?

"Yes I have been for six months and really

enjoying the freedom. I'm doing what I want and I'm happy to be doing this kind of modelling."

What happens when your friends find out you're a beaut mattress actress?

"You find out who your true friends really are. I haven't noticed that any of my male friends have a problem with it. They all love that I'm doing porn."

Do you think you are good at doing THE DEED?

"Yes. I'm into passionate, sensual sex. I like it when the guy is really dominant and he pulls my hair. I really love that sort of kinky sex too."

Do you like watching porn as much as you like making it?

"I used to watch it every day a few years back, but not so much anymore. I like porn movies to be a little bit romantic if I'm watching them alone. But yes, I do like watching them because it gives me ideas about new things to try. I haven't done much with women and that's something I'd like to try more."

What are your thoughts on MOUTH SEX?

"Yes, I like doing it on men. I will usually swallow depending on how good he tastes. I like most kinds of sex. There's still a few things I haven't tried, but I will get around to it."

WET dreams

Selina will keep you up all night

WE love it when chicks are heaps filthy, but it can be pretty tops when they're all SQUEAKY CLEAN, too. And soapy spunk Selina is the perfect example of what we mean.

"Sex in the shower is one of my favourite things," spills the SLIPPERY SEXPOT. "The feeling of warm water running over me while I'm coming is amazing!"

Do you ever JILL OFF in the shower?

"Yeah, some times I like to sit down and have a go. You can lock the door and even make a bit of noise because the sound of the shower will mask the moans!"

Quite the seasoned pro for a 20-year-old! Are you still living with your

olds? Is that why you have to be so discreet?

"Yeah, but they're OK. Although it still sucks when I bring a guy home and he gets cornered into a convo with Mum or Dad. And it sucks even more when we have sex, because normally I love to make heaps of noise, but I have to keep it down."

So you're a bit of a screamer in the sack are ya? Lots of hootin' and hollerin'?

"Massively. I'm so loud. My ex even bought me this cute gag thing to put in my mouth so I wouldn't make too much noise. Sometimes it's embarrassing, but I just lose it in the heat of the moment."

We're sure no one minds. Well, maybe your parents. Have you made the BEAST WITH TWO BACKS in anywhere weird lately?

"I did it in a kid's cubby house. Does that count as weird?"

Well, it's not a suite at the Hilton. How did that happen?

"Because I still live with my parents, I end up having sex in lots of strange places just to save embarassment. This time it happened in a cubby house up a tree in my neighbour's yard at one am with a random."

We hope it was a good, STURDY treehouse.

"It was. We gave it a serious rocking, too."

Your neighbours must've thought the possums were at it again. ■ Picture

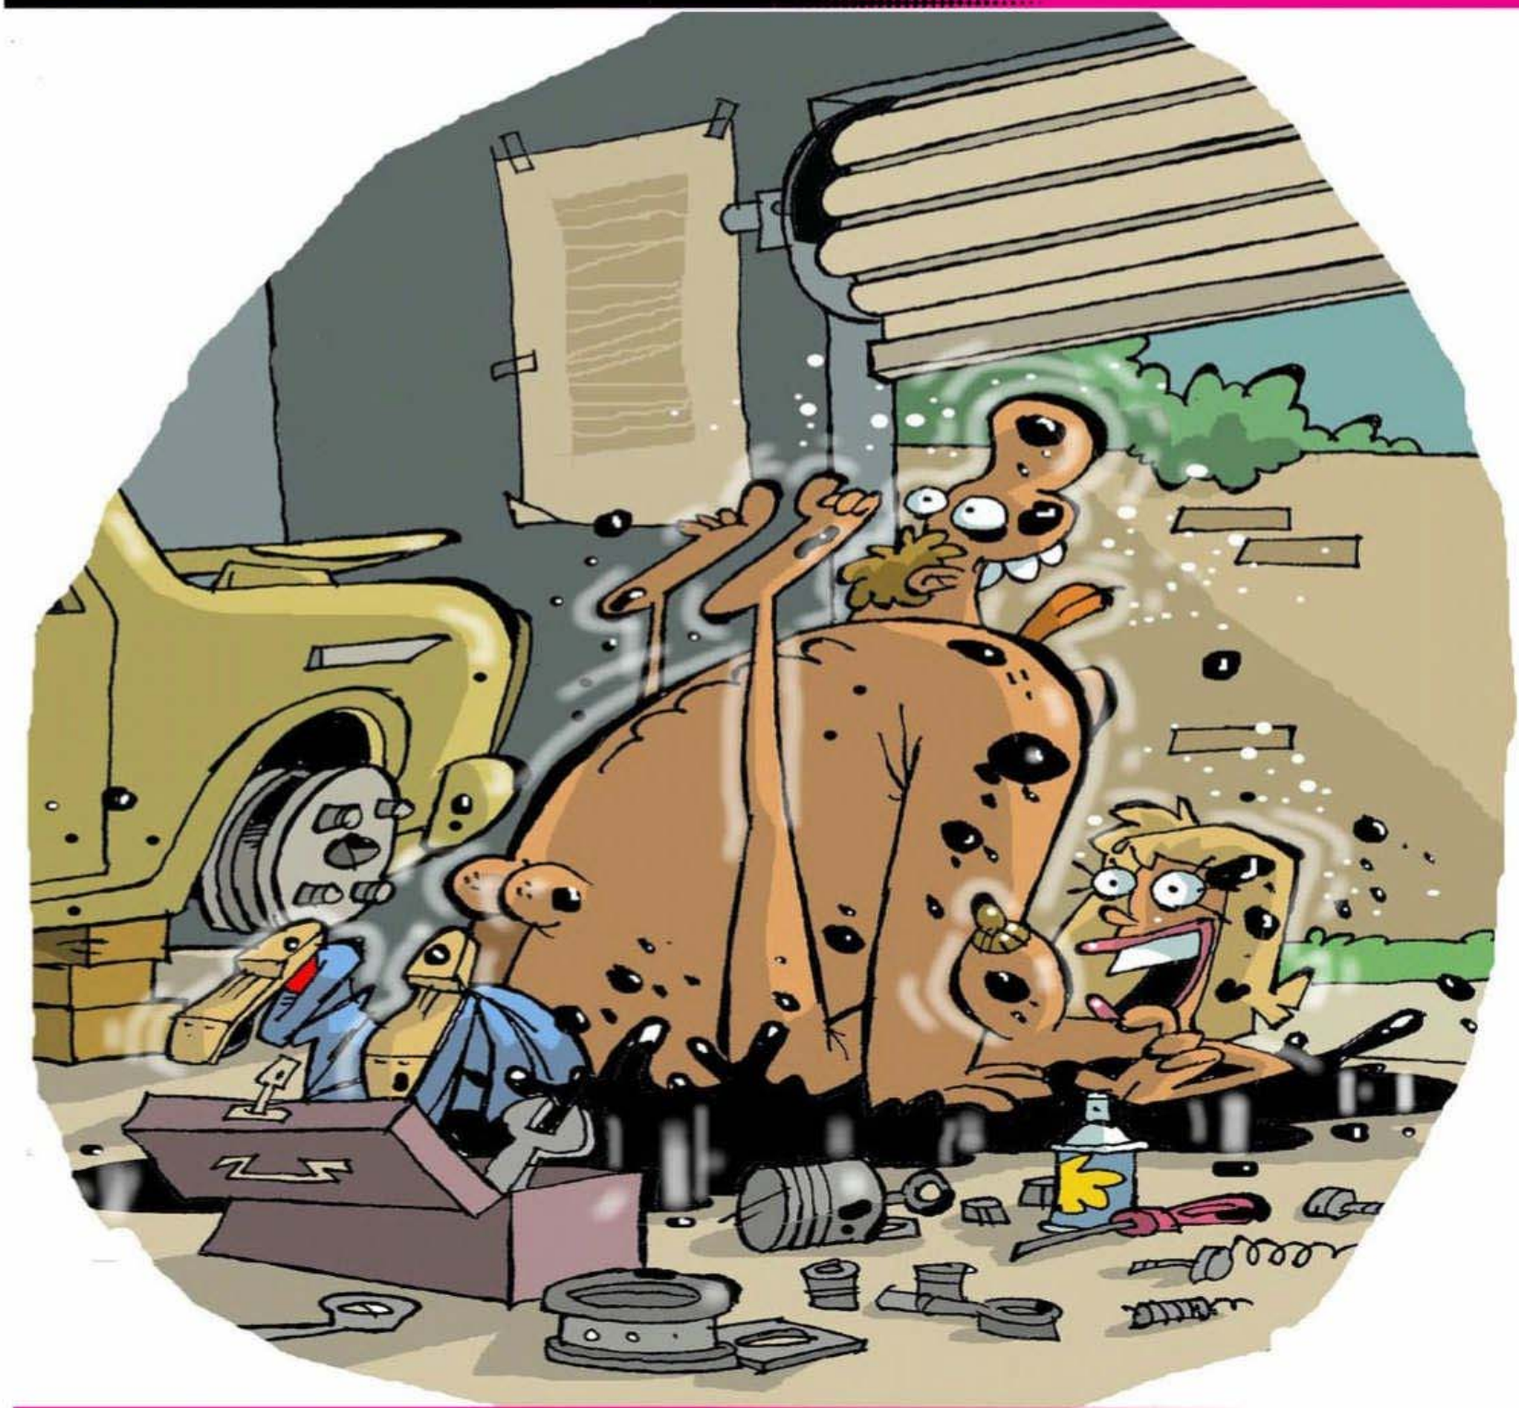
My Messiest Fuck



THE OILY BIRD GETS THE WORM

WHEN I was a young bloke about the only thing that could distract me from working on my car was my ultra-hot girlfriend Samantha. She was only 18 but she had the sex drive of a cougar – she just couldn't wait for a dicking, she had to have it when she wanted it.

Naturally, this could fuck me up when I'd decided I was going to strip an engine on the kitchen floor and get it back in the car that arvo. Trouble was, Sam would do anything to get my attention and make me fuck her, so it was pretty hard to resist.

This one time I was fully into the project at hand when she came nosing around, trying to distract me. At first she was just flicking her pert little nipples, then running a finger up the camel toe that was poking through her shorts. It was pretty good, but I was keeping focussed. I only turned away for a second to grab something when I heard her yelp, and turned around to find she'd cracked a can of oil and had spilt it down her tits.

She peeled off her T-shirt and rubbed it all over herself, making her tits all nice and oily, then slid her thumbs down her hips and hooked off her shorts. OK, now she had my full attention.

She chucked a towel down on the floor and spread her legs, hooking her heels around my hips and pulling me down on top of her. I quickly unbuttoned the front of my overalls, dropped them as far as my arse and dove in.

I was a bit worried about using engine oil as lube, until I saw Sam had cleverly brought a jar of KY and was using that to grease her cylinder. I slammed my piston into her and we sprayed oil everywhere.

K.L., GRANVILLE, NSW

DOOF SPOOF

I'M NOT much for doof-doof, but my girl dragged me off to a doof festival in the bush a while back and it wasn't bad. Most of the music sucked, but after we'd had a few 'smart drinks' it sounded a bit better.

The best thing was that all over the place there were these hot babes, and because it was stinking hot, they were stripped back as far as you could go without actually being naked, just G-bangers and bras sometimes.

My girl saw me going bug-eyed at all this incredible babe flesh, but instead of cracking the nasty, she started playing up to me and waggling her own very cute little bod right under my nose.

Next thing I'm bustin' some moves to the beats, and clearing the dance floor with my huge stiffy. The only question after that was, where do we get naked, and outside the big tent we found the answer – in this huge, muddy dam with lots of other people. So we got our gear off and jumped.

The ankle-deep mud at the edges was perfect for splooshing around in, so we slid around for a while before she washed off my cock with some water and impaled herself on it. She looked like some pre-historic cave sheila with mud all over her, grunting insanely while she bounced up and down on my cock. She even picked up handfuls of mud and mooshed it all over her tits and through her hair while we were fucking.

As great as all that was, when I looked around me there were people at it in the mud everywhere, covered in it and fucking like crazy. So I got her up on her knees so I could do her doggy and get a good view of the whole mad scene of people fucking in the mud. And I didn't mind a bit of doof-doof after that.

ME AND my fella love our ice cream, so we stocked the freezer up with all our favourites when they were on special so we could indulge whenever we wanted. It was like having our own ice cream parlour.

Then, last summer, disaster struck. The power blackouts hit us and we were faced with all our scream dreams melting away. There was only one thing we could do – grab a couple of spoons and dive in.

We spread plastic drop sheets on the kitchen floor and got a few tubs out to play with. I got naked straight away and made a bold move – I grabbed a handful of pistachio and smeared it into my hairy pussy. Then I beckoned Rob over and pointed at my ice creamy cunt. He got the message. Rob buried his face down there, where the warmth from my smoo was starting to melt the ice cream, although some still freezing blobs were sending shivers up my clit.

Rob went at it like he was starving, slurping the semi-melted gloop out of every fold of my pussy. Just when he had nearly run out of ice cream, I grabbed a tub of rum and raisin and dumped it on the back of his head, and he just let it squish down between my thighs so he could lick it off.

Then it was time Rob's dick had some attention, so I rummaged around for some mango ripple to coat his lovely big throbber and balls with. I made sure it was all over his bits and up his arse crack, and went to town with my tongue, slurping up every bit of the ice cream. Then it was just a matter of which ice cream would make the best lube – we settled on French vanilla – and he fucked me until I didn't know where my cream started and the ice cream ended.

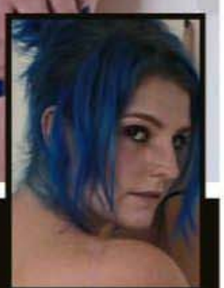
GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

"I ended up having an enlightening threeway"



MAD
ASHFIELD, NSW

"Getting naked is usually fun," says 26-year-old Mad. "It gives me a chance to be creative and work towards new goals and make different forms of art." ***And as a bonus, it provides us with erections. When was the last time you had an erotic dream?*** "Last night." ***Topical. What went down?*** "It was a little strange, because my flatmate was listing to a podcast in the other room. I ended up having a very enlightening threeway with Joe Rogan and whoever he was interviewing." ***What's something new you've given a crack in bed?*** "I have some old reliables; hair pulling and choking are always fun when done safely." ***Maybe keep the high-vis vest on.***

HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT?

"No, I haven't. But I'm not the one with the arms free to do it."

CHERRY
APPLECROSS, WA

"I like to play it rough," says 30-year-old animal lover Cherry. "When I'm tied and masked, I love the anticipation of what toys he is going to use on me." ***With girls, too?*** "I have a few sexy ladies in my love life, but when I play with the ladies, I like to be the dominant one and make them submit to my lashing: whip and tongue." ***What is it about BLOKETTES that ya love?*** "Girls have so many lovely, soft and jiggly parts to squeeze, smack and suck. I love using ropes on the girls. Especially around the boobs. Trussing them up nice and tight like tasty morsels." ***And tits are one of the tastiest!***

HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT? "My hands are usually way too occupied for selfies. But I have gotten partners to take pics of me while I'm in action. I like to check myself out afterwards. And I can critique my technique."

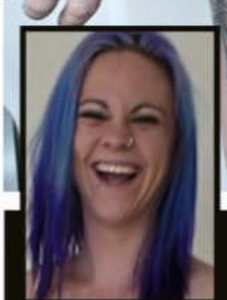
"We were doing it doggy and it seemed a fun thing to do"



PRIZZLE
PARKLEA, NSW

Mixing up a leg-opening cocktail will be a waste of time if you were trying to work your way into the knickers of 25-year-old Prizzle. ***What sort of drunk are you?*** "I don't drink." ***WHAT?*** "I would imagine that I would be really loud and obnoxious." ***So you don't spend big when pissed?*** "I spend big not to be pissed." ***What about other vices? Do you ever bet on the horses or the pokies?*** "I'm a sucker for Five Dragons. That's my game." ***What's the most you've ever won?*** "$500." ***And the most you've lost?*** "Like… $100." **HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT?** "Totally. It wasn't just of me, though. My partner at the time was in it, too. We were doing it doggy style and it seemed like a fun thing to do."

Home Girls

MARNIE
SEAFORD, SA

$30 ASK THE HOMIES

Will we see you in *THE PICTURE* again? You look so happy and sexy naked in the pages of my favourite magazine. Thanks Marnie!
KEN, BROKEN HILL NSW

"Posing nude is great, especially if you aren't confident. You see yourself in a completely different light. You can guarantee you'll be seeing me in THE PICTURE again."

MICHELLE
EAST PERTH, WA

$30 ASK THE HOMIES

I've enjoyed seeing you in *Home Girls*. What goes through your mind while you pose? Do you like it or is it scary?
DANNI, TOOWOOMBA QLD

"Thanks Danni. I like it. I like being proud of my body. But while I'd like to be in THE PICTURE once more, I won't be posing again."

ASK ANY HOME GIRL ANYTHING YOU LIKE. *Chuck us an email at askthehomegirls@bauer-media.com.au or write to Ask The Home Girls c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000.*

"I love watching myself in the mirror during doggy style"

SKYE
ANNADALE, NSW

"I'm a hairdresser and I love showing off my body and being an exhibitionist," says 29-year-old Skye. "I often star in my own home movies and I love watching myself in the mirror during doggy style." ***Who gets to see these awesome home movies?*** "I sometimes show my girlfriends to see their reactions, but I mostly show new lovers." ***What do your girlfriends usually say?*** "Last time I showed one of my girlfriends, she started touching herself. And she decided to show me *her* home movie." ***Hopefully you were well-mannered enough to touch yourself in return.*** "Yeah, I did. It made me really wet, actually. I was feeling experimental." ***We hope you acted on those urges – and made another flick.***

HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT? "Yes I have; on Snapchat. I sent it to my guy mates."

HONEY BUNNY & ALLY

ADELAIDE, SA

"I love big boobs," says 26-year-old Ally, who must have been very thankful the day top-heavy 29-year-old Honey Bunny walked into her life. ***Besides her enormous JUGGAGE, what do you like about Honey Bunny?*** **Ally:** "We get naked together all the time. She's really sweet and lovely. She's a lot of fun." ***So she makes you laugh?*** **Ally:** "Yeah, all the time." ***Go on, prove it. Tell us a joke.*** **Honey Bunny:** "What's the only animal with a cunt on its back?" ***What?*** "A police horse." ***You'll go far in our magazine, Honey Bunny.***

HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT?

Ally: "All the time. And I make videos. I like to watch them later."

Honey Bunny: "Most definitely. I record the whole thing. And I take screen shots of my favourite parts. I'm a real dirty porn star at heart. I've even orgasmed while having anal."

KRYSTAL

DARWIN, NT

"I'm on my way to the gym," panted this EXTREMELY NORKY 19-year-old. "I'm trying to get really fit." ***Our giggle sticks are getting a workout just looking at you. What size are your blamps?*** "They're 10D. They only got big a little while back and I'm really happy with the way they look." ***Do you flash 'em at truckies from highway overpasses?*** "No, I hardly ever get them out. I don't mind the odd one-night stand, though." ***What sort of blokes do you root?*** "The bad ones! Not like really bad ones, but just the kind who are rough around the edges. Nice guys don't do anything for me, and I'm single at the moment." ***That's music to our COCKS.***

MACKENZIE

NEWCASTLE, NSW

"I'm single, 19, and I want to have fun," cheered this Novocastrian knockout. ***You must cause some trouble when you're out on the town.*** "Yes, I love dancing and drinking. Recently I took part in a big bikini contest up here, so I'm not afraid to show off." Forget doggy style – Mackenzie reckons the best possie is when she's on her back with her legs in the air: "It's more penetrating and it feels so good. My sex life is a bit quiet now because I'm single, though." ***Don't they sell vibrators in Newie?*** "Yes, I've got one I like called Mr Purple. He has different settings but doesn't usually compare to the real thing." ***You should've gone for Mr Pink!***

"I'm not afraid to go nude at the beach"

ERINYS
SYDNEY, NSW

As you may have guessed, 30-year-old personal trainer and nursing student Erinys likes to get her kit off in nature. "My hobbies include outdoor activities like bushwalking." ***Do you get naked outside a lot?*** "I do. It's usually just topless, but I'm not afraid to go nude at the beach or on a bush walk, especially when there is water or the ocean around. It's very liberating." ***Ever been busted during an AL FRESCO nude romp?*** "Ha. Yes, by a couple. But they weren't too fussed. I steer clear of places that are too crowded. I try not to offend." ***Someone would have to be pretty uptight to be offended by a hot bod like yours.***

HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT? "Yes, both to lighten the mood and as a good keepsake."

HOLLY
BELDON, WA

"I love posing nude because I feel like there's nothing holding me back," says simply awesome 18-year-old Holly. "It's a great moment of freedom when I'm posing in front of the camera; fully raw and in my element. It's like I can do what I want – which I usually do anyway." ***And those boobs…*** "My boobs get lots of attention. Especially my nipples. Guys – and girls – love them." ***Do girls get to play with them?*** "I have nothing against girls playing with them – they always ask and I'm always happy to say yes. Girls are usually more appreciative of them than guys." ***Are you issuing us blokes a challenge?*** **HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT?** "I have a few times. Not secretly, though. We both knew about it. A blow job selfie is next on my bucket list."

"A blow job selfie is next on my bucket list"

$200 TOP TITS

SELENA
KATOOMBA, NSW

"Outside sex is my favourite type of sex," reveals 22-year-old full-time uni student. ***Where was the last place you participated in some outdoor shenanigans?*** "On a bushwalk with my boyfriend. I love being outdoors and we go on lots of hikes and camping trips, so we find plenty of time, and empty spots, to have sex." ***Do you ever hike in the nuddy?*** "We might stroll for a little bit, but not normally. It's hard to hike naked because you still need to wear your boots, which means you'll have to take all your clothess off over your shoes!" ***Or you could just not give a fuck! What are you studying at uni?*** "I'm doing a bachelor of business. I don't really know why. I never really liked the business stuff, but my Dad thought it would be a good idea."

HAVE YOU EVER TAKEN A SELFIE WHILE HAVING A ROOT?

"Of course! I have a few from the tops of mountains and in various beautiful bushlands. "

GO FACT YOURSELF!

NUCLEAR WEAPONS

01. Since 1951, the Yanks have produced 67,500 nuclear missiles. But just like their beers some of 'em were shit and they only have 7000 active nukes at the moment.

02. In 1966 the US and USSR signed a treaty banning the use of nuclear weapons in outer space. So we're fucked if Mars attacks. We'll have to chuck rocks.

03. The most powerful nuclear weapon ever detonated was a Russian bomb called the Tsar Bomba. It was dropped on the Russian island Novaya Zemlya, just north of the mainland, and was 3800 times more powerful than the bomb used against Hiroshima.

04. Eight countries have declared that they have nuclear weapons – Russia, USA, UK, France, China, India, Pakistan and North Korea. Everyone else just has regular bombs.

05. Between 1952 and 1957 we let the UK test nuclear weapons on Aussie soil. The Poms let off a total of 12 nuclear bombs on Montebello Islands, Emu Field and Maralinga.

06. Bikinis were named after Bikini Atoll, the islands where the Seppos conducted a bunch of nuclear tests in the 40s and 50s.

07. The radiation from the bombs dropped on Bikini Attoll also contaminated a Japanese fishing boat, inspiring the film *Godzilla*.

08. If you thought we're all nice and safe, know that in 1962 the smarties in the Pentagon protected their nuclear missiles with an eight digit code – '00000000'.

09. In 1955 the Seppos conducted a test called 'The Effect of Nuclear Explosions on Commercially Packaged Beverages' and exploded a nuclear bomb near some cans of beer. They were ruled safe to drink, but apparently didn't taste too good.

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
